

# Turf and Golf Course CDE

12:00 PM April 20, 2001

Clover Park, Fort Lewis Site

The purpose of the Turf and Golf Course Contest is to provide students the opportunity to demonstrate knowledge and technical skills needed to enter the “Green Industry” or further their educational training through programs at Clover Park Technical College, Walla Walla Community College and/or WSU. This year the CDE will place a special emphasis on *environmental issues* in appropriate parts of the event.

This year the CDE will consist of the following. (Note that each section will again be on 25-minute modules) (Again Scantron Cards will be provided to score the multiple choice answer sheets).

- \* **Test 50 questions** (Multiple Choice) Bill Griffith  
(Note environmental emphasis)  
*Individual this year (not team)*
- \* **Tool Identification** Jim Butler  
*Individual this year (not team)* Lee Anderson
- \* **Golf Course Design** Ron Crawford  
*Team Event*  
(Note environmental emphasis)  
Lee Anderson and Jim Butler will get judges
- **Practicums** (There will be five and you will need materials to accommodate at least two and preferable three sets at a time for each practicum).
  - \* **Irrigation** (Three sets at each rotation) Jim Butler
  - \* **Cup Cutting** (Three sets of materials) Lee Anderson  
(Three sets of judges)
