Welding Agriculture Education Teacher and FFA Advisor	Full-time, Welding Agriculture based classes	Bonnors Ferry High School, Bonners Ferry, Idaho	Boundary County School District 101	Kevin Dinning 208-267-3149 ext. 1104 kevin.dinning@mail.bcsd101.com

Live, work, and play in BEAUTIFUL North Idaho! Bonners Ferry High School is looking for a Full-time, High School Welding Agriculture Education Instructor and FFA Advisor for the 2017-18 school year. This is a two instructor program with an active Advisory Committee and thriving FFA Program. The open position is primarily welding based. Bonners Ferry is located in the panhandle of Idaho in the agricultural rich Kootenai Valley. Voted the "Most Friendly Town" in Idaho!

Applicants are expected to demonstrate knowledge and skills in the areas of:

- Agricultural Mechanics
- Agricultural Welding
- Agricultural Science
- Agricultural Leadership
- FFA
- SAE
- The 3 circle model of ag education
- Welding safety procedures and methods

- Career Development Events (CDE) and Supervised Agricultural Experience (SAE) projects
- Assist students keeping records through the Agricultural Experience Tracker (AET)
- Advisory and Chapter Meetings
- Coordinate FFA activities for district, state, and national levels including, but not limited to, fair, community service, fundraising, and all other chapter activities

The candidate will be expected to:

- Teach 9-12 grade Ag classes with a shop emphasis
- Conduct field trips and contests in and out of the district
- Build and evaluate curriculum and teaching schedule
- Prepare lesson plans, demonstration plans, and other teaching materials
- Secure materials for the program
- Comply with board policies, rules, regulations, and directives
- Prepare and track the budget for the agriculture program each year.
- Coordinate, maintain inventories, and keep record of the agriculture accounts for classroom and shop supplies
- Purchase supplies and equipment for the classroom, office and shop facilities
- Inventory the supplies and equipment of the agriculture program
- Cooperate in maintaining, planning, and improving the physical facilities
- Participate in any and all FFA chapter events
- Only minimum duties are listed. Other functions may be required as given or assigned.

Desired Minimum Qualifications:

- Idaho Teaching License, Agriculture Education 9-12 Endorsement
- Basic knowledge of computers
- Integrity and professionalism
- Ability to establish and maintain effective working relationships with students, staff, and parents/guardians
- Ability to handle stressful situations.
- Ability to maintain confidentiality of employment and student matters.
- Ability to effectively manage time and responsibilities.
