POSITION ANNOUNCEMENT FOR THE 2017-2018 SCHOOL YEAR
OPEN TO ALL CERTIFICATED AND OUT OF DISTRICT PERSONNEL

Open: June 30, 2017 **Close: Open Until Filled**

POSITION: **Career and Technical Education (CTE)**
Agricultural Science Teacher - 1.0 FTE (Continuing)
Pasco High School

SCHEDULE: **2017 - 2018 School Year**

SALARY: **Based on the 2017 - 2018 Teacher Salary Schedule**

QUALIFICATIONS:

REQUIRED: (Qualifications which are essential to the position)

- *Valid Washington State Career & Technical Education Teaching Certificate with applicable endorsement
- *Willingness to recruit & facilitate an active Program Advisory Committee
- *Ability to participate in required trainings
- *Willingness to participate in interdisciplinary planning, curriculum design and evaluation
- *Willingness to work with an instructional coach
- *Valid First Aid/CPR card or ability to obtain one

QUALIFICATIONS:

DESIRED: (Qualifications which are not required, but would be useful to the position)

- *Teaching techniques which reflect interactive student-centered, project driven instruction and incorporate communicative activities and authentic assessment.
- *Demonstrated ability to teach all students.
- *Ability to maintain program equipment, lab area, and facilities.
- *Successful experience working with advisory committee; attending meetings and participation in committee activities and events.
- *Demonstrated success supervising the student leadership organization.
- *Evidence of high standards in classroom management and student achievement.
- *Knowledgeable and willing to integrate appropriate technology into the instructional process.
- *Willingness to work with the business community to support student learning in the work place; set up shadow and internship opportunities.
- *Knowledge of and ability to design curriculum to meet adopted State standards and

competencies, district benchmarks, and the Washington State essential academic learning requirements and grade level expectations.
*Punctual and consistent attendance.

Job Description: The successful candidate will be expected to:

- *Provide an effective program of instruction in Agriculture Science meeting district and state approved program standards (frameworks).
- *Teach computer applications following the state approved frameworks.
- *Develop, implement and supervise the FFA Career and Technical Student Organization (CTSO) following the state approved guidelines for an approved CTSO (after school, nights and weekends).
- *Be actively involved in advisory committee activities; attend all meetings and activities (after school, evenings).
- *Organize and maintain a safe lab environment while teaching and promoting safety.
- *Maintain a positive attitude and productive learning environment.
- * Review program needs and participate in the selection of equipment and instructional resources and materials.
- *Develop and implement a continuous improvement plan in alignment with state CTE standards.
- *Develop and monitor program budget; manage and submit purchases for the program.
- *Integrate technology into the instructional process; stay up-to-date with technology related to the program area.
- *Become involved with business and community partnerships; participate in internships and other industry related educational and training opportunities.
- *Be a "team" player by establishing and maintaining cooperative professional relationships with others.
- *Communicate regularly and proactively with students and parents regarding progress and behavior.
- *Be innovative and committed to the challenge of change in education.
- *Be committed to success for all children.
- *Believe cultural diversity is a strength and have the attitude that we will meet the needs of all students.
- *Be flexible and cooperative in schedule changes and accommodating in other needs for use of facility.
- *Other duties as assigned.

Letters and applications received after closing date will only be accepted and screened if the position remains unfilled.
